**(516) 364-5860**

**[www.NassauSWCD.org](http://www.NassauSWCD.org)**

#### **Nature of Position:**

The person in this position works under the direction of the Nassau County Soil and Water Conservation District (NCSWCD) District Manager. The Bookkeeper will have full charge of all the District's accounting records and assist with other programs as necessary.

#### **About the Nassau County Soil and Water Conservation District**

The NCSWCD is a political subdivision of New York State (NYS), but under the direction of a Board of Directors that consists of appointed representatives of the three Towns in the county (North Hempstead, Hempstead and Oyster Bay), Nassau County, as well as At-Large Directors representing stakeholder organizations. The county provides office space and a portion of NCSWCD's funding. The NYS Soil and Water Conservation Committee matches a portion of county funding. Other funds are obtained from grants and several revenue-generating programs run by NCSWCD. NCSWCD works cooperatively with, and provides advice to local governments, federal and state agencies, environmental organizations, and local landowners/residents. Projects and programs include but are not limited to: helping organize the Long Island and NYS Envirothons; assisting with implementation of green infrastructure projects; educating the public through presentations and information booths at public events; and organizing conferences and workshops.

#### **Typical Description of Duties:**

- **Full charge bookkeeping on QuickBooks: A/P, AR, bank recs, budgets, month and year-end reporting.**
- **Run Intuit payroll bi-weekly on QuickBooks.**
- **Process state and federal benefits for district employees.**
- **Maintain and update district employee employment records.**
- **Assist district Staff and board members in preparing grant applications, grant agreements and submitting claims for grant payments.**
- **Prepare treasurer's reports for each district board meeting and upon request by the district chair or district treasurer or manager.**
- **Attend district board meetings at the request of the district chair or district treasurer or district manager.**
- **Prepare annual report for the district treasurer to submit to the New York State Soil and Water Conservation Committee.**
- **Prepare New York State Office of the Comptroller Annual Report.**
- **Cooperate with district board members and district manager when they conduct annual audits of the district's books.**

#### **Minimum Qualifications:**

Bachelor's Degree (or equivalent work experience) and willingness to familiarize oneself with the District and its mission. Candidates must have knowledge of bookkeeping. Preference will be given to candidates with experience with municipal budgets and municipal and federal employment laws, rules, regulations, and procedures.
